VERSATILE APPLICATIONS

Benefit from the versatile applications in removable denture prosthetics

Removable denture prosthetics is a fascinating dental field, which has always been of great interest to Ivoclar Vivadent. The Ivotion Denture System for digital denture prosthetics complements the well-known BPS System and the wide range of products available for conventional denture prosthetics from Ivoclar Vivadent.

Individual complete dentures (upper or lower jaw)

Complete dentures (upper and lower jaw)

Duplicate complete dentures (upper and lower jaw)

Immediate complete dentures (upper and lower jaw)

Overdentures with two attachments (upper and lower jaw)

Ivotion Denture System

Ivoclar Vivadent furthermore offers comprehensive solutions for partial denture prosthetics (upper and
